# **Season's Greetings**

🎉 Wrapping Up the Year with Gratitude and Cheer! 🎉

As we say goodbye to 2024, we want to take a moment to celebrate you! Your incredible dedication, collaboration, and hard work have made this year truly special. We're so grateful for all that you've accomplished, and we can't wait to keep the momentum going as we leap into an exciting 2025 together!

**1, 2025** to allow for our team to relax, recharge and enjoy quality time with their loved ones. This time off helps ensure that our team can return refreshed and ready to make 2025 our best year yet!

Thank you for being such an important part of our journey. Wishing you a joyful and peaceful holiday season! See you in the New Year! 🎄 🦙

## A Special End of the Year Video

#### **Help Desk Holiday Hours**

As the holiday season approaches we'd like to remind you of our adjusted Help Desk Hours.

#### The Help Desk will be closed on the following days:

- Christmas Day December 25, 2024 Å
- New Year's Day January 1, 2025

From Thursday December 26th to Tuesday December 31, 2024 the Help Desk will remain available but at limited capacity and will be processing tickets submitted by email to <a href="mailto:marin@bitfocus.com">marin@bitfocus.com</a>. On those days, please expect longer than usual response times. Please don't hesitate to reach out to Help Desk if you need any general support, and they will get back to you as soon as they are able to!

#### **Important Note:**

All phone lines will be temporarily closed during this period. When you
call, you will be prompted to leave a voicemail, which will automatically

generate a support ticket.

- To assist you effectively, please leave a brief message with details of your need for support and a callback number.
- Tickets will be prioritized based on the urgency and the order in which the messages are received.

We'll be back to business-as-usual in the New Year on **Thursday**, **January 2nd**. Thank you for your understanding and we wish you a safe and joyful holiday season!

## Welcome to Your Community Poll

Unfortunately, there were no responses to last month's poll, so there are no results to share. We hope you like this poll question better!

## **Check Out This Fun Poll:**

If you shop for holiday gifts, what's your preferred shopping method?

Take the poll!

Check out the newsletter next month to see what your colleagues said! Please note that your individual response is anonymous.

**Upcoming Events** 

# **HMIS Agency Leads Meeting\***

Wednesday, January 15, 2-3 p.m. | \*Agency Leads Only: Register <u>HERE</u>
\*Please note that this is a NEW Zoom series, so you will need to register again to get the new meeting series on your calendar.

We are asking the designated HMIS Agency Leads and Security Officers to join this meeting on a bi-monthly basis. Of course, if you absolutely cannot make it, please send a representative. Workgroup participants will support communications between the county, Bitfocus and agency staff with regards to community initiatives, training, privacy, security, program and data management.

Check out the PDF!

# Preparing for the 2025 Point-In-Time Count on 1/27/25

#### **Sheltered PIT/HIC Count:**

It is critical that all emergency shelter and transitional housing projects in the HMIS reflect accurate enrollments, exits, and night-by-night services for the night of January 27, 2025 as part of this annual count of households experiencing sheltered homelessness in Marin County.

#### Annual Point-in-Time (PIT) Count: Why It Matters

The annual PIT Count is essential for securing funding and creating policies to help resolve homelessness in Marin County.

## What's Required for Emergency Shelter and Transitional Housing Projects

- All emergency shelter and transitional housing projects in HMIS must reflect accurate enrollments, exits, and night-by-night services for the night of January 27, 2025.
- This ensures we capture an accurate count of sheltered households experiencing homelessness.

#### What About Permanent Housing Projects? Yes!

HUD also requires reporting the **unduplicated number of persons served** on the night of the PIT Count for all bed types reported on the **Housing Inventory Count** (**HIC**). This includes:

- Shelter
- Transitional Housing
- Permanent Housing

#### How to Provide Best Quality Data to HUD?

Agencies must review and ensure that all relevant client records are up-to-date and complete for the PIT count date. This includes the following are complete and up-to-date:

- Profiles
- Enrollments
- Exits

For all projects, please let us know if the number of available beds, units, and/or vouchers have increased or decreased over the past year.

#### What you need to do to by February 3, 2025

Ensure all clients served by your projects on January 27, 2025 are accurately represented in the HMIS. This includes all available demographic data, all enrollment/exit data, and accurate housing bed night services (for night-by-night emergency shelters). If there are household move-in dates that you haven't recorded yet in your clients program enrollments, please be sure to add the move-in dates by the PIT count date.

You can run the [GNRL-220] Program Details Report to review a spreadsheet containing all profile, enrollment data (including move-in dates for permanent housing projects), and exit data. The report also includes housing service start and end dates for each client which is especially important for night-by-night shelters to review and confirm.

#### In particular, you should review:

Move-in Dates - For Housing programs, it is critical that clients have an
accurate move-in date to show if they were in housing on the date of the PIT
count.

- **Bed nights:** For night-by-night shelters, confirm attendance services, it's critical that clients have bed night services entered for the count period.
- Review Demographics:
  - Date of Birth Even approximate dates of birth ensure that adults and children are categorized correctly.
  - Gender
  - Ethnicity
  - Race
- Chronically Homeless Missing answers to Living Situation questions at enrollment can result in inaccurate counts. Even one missing answer will result in a client not being counted in this category.
- **Disability** HUD is particularly interested in counts of those who have mental health and/or substance abuse disabilities.
- Veteran Status
- Total counts of people enrolled Do your counts seem too low or too high?

#### Want more information?

Learn more about the PIT Count and HIC processes by visiting <u>HUD's information</u> regarding the PIT/HIC count.

# **Report Spotlight**

# [HSNG-108] Housing Census Report

The Marin County Sheltered Point-in-Time (PIT) Count will take place on the night of January 27, 2025. To ensure accurate reporting, we need your help in reviewing and updating your program data.

#### Here's what you need to do:

 Verify your data: Check that all enrollments (including housing move-in dates), exits and services for the night of January 27, 2025 are complete and accurate.

- Enter data in HMIS: Make sure this information is entered into HMIS no later than February 3. 2025.
- Run your Reports: Use the report listed below to review your data as soon as your January 27, 2025 are entered.

## Step 1 Check Occupancy

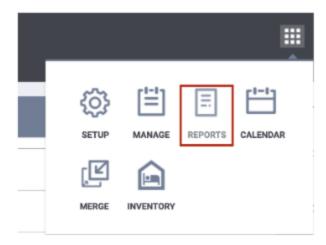

**The purpose** of this report is to get a detailed day-by-day view of your occupancy for housing programs on the night of January 27, 2025. with important key points in these areas:

- Emergency Shelter Night-by-Night includes bed nights
- Permanent Housing Programs Housing Move-In Dates are considered
- For Program Bed Inventory of all programs the maximum bed occupancy is displayed

Check your occupancy by running the [HSNG-108] Housing Census Report for one night: January 27, 2025. This report can be found in the "Housing" section of the Report Library.

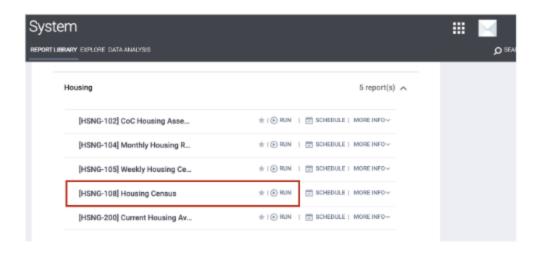

#### Here's how to run the report:

- Log in to Clarity Human Services:
  - 1. Click on the "Launchpad" at the top right of the screen, to the left of the mail icon.
  - 2. From the launchpad, click on "Reports."

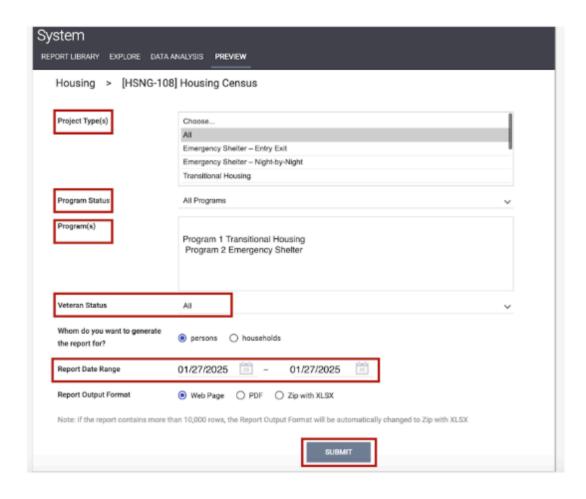

• Find the Report:

1. Locate [HSNG-108] Housing Census under the "Housing Reports" section and click Run.

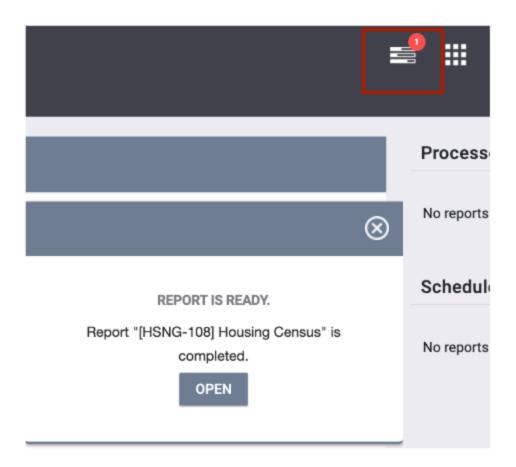

### Setup the Report

- Select the project type and program name. You may select multiple programs. Data for each program will display separately on the report.
- 2. Under Veteran Status, select All Clients.
- 3. Enter January 27, 2025 for both the start and end date
- 4. Select your preferred Report Output Format
  - i. "PDF," or "Excel." (good for saving or printing)
  - ii. "Web Page" will allow you to click on the client name or ID and automatically open up the client profile within Clarity Human Services.

- Click the "Submit" button.
  - Once your report is finished processing, it will show you a notification in the top right of your screen, next to the Launchpad icon.

**Pro tip:** If it's taking a while to process your report, refresh the page to check if your report is ready.

Housing Census	Andrea B. Testy Tester Agency  Veteran Status: All  Report generate for: persons  Report Date Range: 1/27/2025 - 1/27/2025
Awesome RRH	Max Occupancy: Varies
Date	# Clients
1/27/2025	1
1/27/2025	1
Total Clients Served	1
Total Bed Nights Provided	2
Test MH Program AB	Max Occupancy: 0 beds
Date	# Clients
1/27/2025	1
1/27/2025	1
Total Clients Served	1
Total Bed Nights Provided	2

The Housing Census Report will tell you how many beds the project in the HMIS are set up to provide and how many people were served on that night. If the

numbers don't match up, you may have an explanation, like the program just opened or had some units offline for repairs. If the reason is that exits or entries have not been entered, make sure they get entered immediately, and back-date them so they are counted on the day of the HIC. You can check who is missing by using the drill down in the report, or when you run the next report.
