Santa Cruz County HMIS – VA Services Adult Status Update and/or Annual Assessment

A service provider must complete a VA Services Adult Status Update Assessment every 90 days an adult client or the Head of Household has been enrolled in a VA-funded program, regardless of whether their information has changed. After the client has been enrolled in the program for 1 year, the service provider must complete a VA Services Adult Annual Assessment in lieu of a Status Assessment. This form can be used for either the Status Assessment or Annual Assessment because the same information is collected, however, please be sure to select the appropriate Assessment type when entering this data into the HMIS. Separate VA Services Status and/or Annual Assessment Forms must be completed for each adult household member. **A separate Standard Status and/or Annual Assessment Form must be completed for children as well, but please be sure to use the Standard Child Status and/or Annual Assessment Form.**
